Since the beginning of the year, social workers of the territorial center have provided food and bedding to 495 people, including 149 internally displaced persons. 16,680 social care services were.

These are: assistance in self-care, housekeeping, purchase and delivery of food, industrial and household goods, medicines, cooking, house cleaning, laundry and clothes, hospital visits, land cultivation.

The community needs

1. A specially equipped bus is needed to arrange access and adaptation of the population groups with reduced mobility (375 persons with disabilities, 131 children with disabilities) to the existing infrastructure of the territorial community.

2. For the needs of the Armed Forces of Ukraine, 7 cars (including: 3 medical) and 3 school buses were seized from institutions and institutions of Korets Town Council, therefore there is a need to provide the mentioned cars to the community.

3. The community has a 55-bed *Korets Regional Rehabilitation Hospital* of the Rivne Regional Council, which rehabilitates and provides psychological rehabilitation for combatants, mobilized persons, family members of fallen combatants and mobilized persons, their children, and other members of the community. who need it according to a medical opinion. Appropriate medical equipment is required for this: massage tables, equipment for functional electrical stimulation, portable X-ray machine, dynamic stair-bar simulators, rehabilitation bars with obstacles, automatic finger joint training devices.

4. Implementation of the joint project "Possibilities of cooperation of the cross-border cooperation program INTERREG NEXT Poland-Ukraine 2021-2027" in the field of environmental protection - reconstruction of one compact sewage treatment plant in the town of Korets.
